**CONCUSSION ACKNOWLEDGEMENT IN FINAL FORMS:** In regard to the concussion acknowledgement part of Final Forms...**all parent/guardians and athletes** will need to electronically sign off on this document acknowledging that they understand the signs and symptoms of a concussion. This differs from baseline concussion testing for contact sport athletes. Once a parent/guardian electronically signs this document, then the athlete will receive an email with instructions on how to sign off. **The athlete will not be cleared without their electronic signature.** If your athlete does not receive the email, have them look in their spam folder, then click that it is not spam, then go to the inbox and click the link to the document and sign off.

**IMPACT BASELINE CONCUSSION TESTING:** All Winter 2 sports require a valid concussion test. Concussion tests are valid for 2 years and your athletes most recent concussion test date has been entered in Final Forms. **For athletes in need of a concussion test, testing will take place on 1/10/24 from 2:45 – 3:45 pm.**

**Once you fully complete all medical forms the health office can then clear your athlete.**

**TEAM GOOGLE CLASSROOM SIGN UP:** Additionally, please have your Winter 2 athlete sign into their Winter Sport Google Classroom (codes below) for the team they would like to participate on.
