Dear Families,

The Rockville Centre School District is excited to share some wonderful news with you! In our continuous efforts to provide the best academic opportunities to our students, our district has partnered with the Methodize Test Prep Program to assist our learners in their SAT and ACT preparation.

Methodize Test Prep is a test preparation program that has a unique approach that emphasizes self-paced learning. Recognizing that each student is different, with different time commitments and has a unique learning style, the program is designed to allow learners to navigate their own educational journey.

We are thrilled to offer this program to every student in our district who is preparing for the SATs and ACTs. Our partnership with Methodize Test Prep reinforces our commitment to ensuring that our students have access to the best resources available.
