Mental Health Awareness  
& Suicide Prevention

## **Scholarship Application**

The Ryan Patrick O'Shea Foundation is awarding one \$500 scholarship to a graduating female student and one \$500 scholarship to a graduating male student of South Side High School. A committee of the Ryan Patrick O'Shea Foundation will award the scholarships to the students who demonstrate how a strong academic program combined with a balance of extracurricular and personal activities has helped them become the people that they are.

The application must be accompanied by a composition best describing who you are, what you have accomplished, and what you hope to accomplish as you prepare to go to college or a vocational school. Also include in your composition how the Sources of Strength Program has had an effect on your life and how it will guide you as you leave South Side High School.

Along with the application and composition, please provide your resume, the type of education (vocational or academic) you plan to pursue, and any additional information you believe would help the committee make its decision.

Your completed application, composition and any attachments must be submitted no later than April 1, 2024 to [rpo23foundation@gmail.com](mailto:rpo23foundation@gmail.com).

Any questions can also be submitted to the same email address.

*Family members of the Ryan Patrick O'Shea Foundation Board are not eligible for this award.*
